

The Ipswich Hospital Band

Press Release

Monday 28th June 2010

Ipswich Hospital Band and Ipswich High School for Girls aim for the treetops for the EACH Treehouse Appeal

On the 27th March 2010 the Ipswich Hospital Band presented their Spring Concert to the people of the town within their home venue of St Peter's by the Waterfront. They were joined by the Ipswich High School for Girls Junior Choir and together gave an evening to remember with music, song and performance.

The EACH Treehouse Appeal is raising money to build a new purpose-built children's hospice in Ipswich for life-threatened children and their families in Suffolk and North Essex. The appeal needs £3 million to build the new hospice and is looking for help from everyone in the area to reach this target.

The band and the choir are now pleased to present a cheque, from the proceeds raised at the concert, of £247.50 to the EACH Treehouse Appeal.

We wish every success to the EACH Treehouse Appeal to reach their target.

About the Ipswich Hospital Band

The Ipswich Hospital Band was formed in 1976 by a small group of amateur musicians from the Health Service. It has since grown and flourished with the hard work and dedication of its players, bandmasters and fundraisers. The band regularly raises money for local causes by holding concerts, attending charity events and street collections, raising thousands of pounds over its 34 year history.
